

## PERMISSION TO ADAPT *Competencies for Canada's Substance Abuse Workforce* INTERVIEW AND PERFORMANCE TOOLS

The Canadian Centre on Substance Abuse (CCSA) may extend permission of use to any organization wishing to reproduce, modify, translate, or adapt the interview tools (Section III) and/or the performance tools (Section V) of the *Competencies for Canada's Substance Abuse Workforce*. Parties seeking permission of use are required to complete the "Application for Copyright Permission" (as set out below).

Please note that those parties proposing to use adaptations of the tools must:

- ▶ indicate that they are adapted from *Competencies for Canada's Substance Abuse Workforce* (include full citation); and
- ▶ send a copy of the adapted tools to [competencies@ccsa.ca](mailto:competencies@ccsa.ca) so CSSA can track the range of adaptations made.

Further, please note that other than Sections III and V of the *Competencies for Canada's Substance Abuse Workforce*, no other parts may be reproduced, modified, translated or adapted without written permission from CCSA.
