11	The Promise of PrescribeIT, Canada's e-Prescribing Service (in English) Rashaad Bhyat , Canada Health Infoway Anne Baldwin, Canada Health Infoway Gina DeBenedetti, Canada Health Infoway Bobby Gheorghiu, Canada Health Infoway

INDIGENOUS APPROACHES TO ADDRESSING SUBSTANCE USE AND HEALING

12	Expanding Aboriginal Cultural Competency for Addiction Service Delivery in Canada (in English) Holly Boyne , University of Guelph - Humber Carson McPherson , Cedars at Cobble Hill Eric Collins , University of Western Ontario
13	First Nation Community Crisis Planning, Prevention, and Response Service Delivery Models (in English) Carol Hopkins , Thunderbird Partnership Foundation Jasmine Fournier , Thunderbird Partnership Foundation
14	Land-Based Service Delivery Models (in English) Carol Hopkins , Thunderbird Partnership Foundation Jasmine Fournier , Thunderbird Partnership Foundation

HEALTH PROMOTION, SUBSTANCE USE PREVENTION AND EARLY IDENTIFICATION

15	Change in Patient Profile Presenting to and Reasons for Early Drop Out from an Opioid Dependency Program (in English) Rohit Lodhi , University of Alberta Arvinder Aulakh, Opioid Dependency Program Roshan Hegde, University of Alberta Tanis Pangburn, Opioid Dependency Program Katherine Aitchison, University of Alberta
16	How Much Alcohol Is In My Drink? Selected Outcomes of a Curricular Based Alcohol Education Program in Saskatchewan (in English) Marcella Ogenchuk , University of Saskatchewan Laurie Hellsten, University of Saskatchewan
17	Stress Strategies: Tools for Fostering Resiliency and Reducing Problematic Substance Use (in English) Cindy Andrew , The Psychology Foundation of Canada Leanne Lewis, The Psychology Foundation of Canada
18	The FASD Prevention Conversation – An Innovative Model for Engaging and Equipping Professionals (in English) Helene Wirzba , Wirzba Consulting Hazel Mitchel, South Alberta FASD Service Network
19	What Does Being “Concurrent Capable” Mean within the Field of Addiction and Mental Disorder Prevention? (in English) Cheryl Houtekamer , Alberta Health Services

RECOVERY, HEALTH AND WELL-BEING	
20	Addiction is Addiction (in English) Raju Hajela , HUM Health Upwardly Mobile Sue Newton , HUM Health Upwardly Mobile Paige Abbott , HUM Health Upwardly Mobile
21	ASI Profile of People Who Return to Treatment (in French) Hélène Simoneau , Institut universitaire sur les dépendances Serge Brochu , Institut universitaire sur les dépendances
22	Best Practices in Peer Support (in English) Janis Cramp , Addictions and Mental Health Ontario
23	Examining Addiction System Results from the Ontario Perception of Care Tool (in English) Kevin Acuna , Centre for Addiction and Mental Health Renee Behrooz , Centre for Addiction and Mental Health Kim Baker , Centre for Addiction and Mental Health
24	Factors Associated with Abstinence Following Residential Addiction Treatment: A Six-Month Follow-Up Study (in English) Carson McPherson , Cedars at Cobble Hill Holly Boyne , University of Guelph—Humber Eric Collins , University of Western Ontario
25	Factors Associated with Visits to Hospital Emergency Departments in a Sample of People with Substance Use Disorders (in English) Serge Brochu , Institut universitaire sur les dépendances Soura Biessé Diakaridja , Institut universitaire sur les dépendances Christophe Huyn , Institut universitaire sur les dépendances Michel Landry , Institut universitaire sur les dépendances Marie-Josée Fleury , Institut universitaire sur les dépendances
26	Patients' Perceptions of Care and Links with Recovery-Oriented Outcomes (in English) Brian Rush , Centre for Addiction and Mental Health Jean Costello , Homewood Research Institute Chris Ryan , Homewood Research Institute Sarah Sousa , Homewood Research Institute Courtney Ropp , Homewood Research Institute
27	Stay Sober, Stay Employed: Launching and Evaluating the Work Sober Program (in English) Gordon Pratt , St. Raphael Wellness Centre
28	The Role of Family in Residential Treatment Patient Retention (in English) Holly Boyne , University of Guelph-Humber Carson McPherson , Cedars at Cobble Hill Eric Collins , University of Western Ontario

PUBLIC HEALTH APPROACHES TO SUBSTANCE USE ACROSS THE CONTINUUM OF CARE

29	A Public-Health-Based Vision for the Management and Regulation of Psychedelics (in English) Brian Emerson , British Columbia Ministry of Health Mark Haden, University of British Columbia Kenneth W. Tupper, British Columbia Centre on Substance Use, University of British Columbia
30	Gaps in Assessing Sexual Health and Addictions in Manitoba (in English) Noah Star , St. Raphael Wellness Centre Inc.
31	The Role of Fear and Message Credibility in Perceived Effectiveness of Smokeless Tobacco Health Warning Labels in India and Bangladesh: A Moderated-Mediation Analysis (in English) Seema Mutti-Packer , University of Waterloo Jessica Reid, University of Waterloo James Thrasher, University of South Carolina Daniel Romer, University of Pennsylvania Geoffrey Fong, University of Waterloo Prakash Gupta, Healix-Sekharia Institute for Public Health, Navi Mumbai, Maharashtra, India Mangesh Pedneker, Healix-Sekharia Institute for Public Health, Navi Mumbai, Maharashtra, India Nigar Nargis, American Cancer Society David Hammond, University of Waterloo

SUBSTANCE USE AND CO-OCCURRING ISSUES/DISORDERS	
32	“Alcohol Sets a Match to Violence”: Community Responses to Interpersonal Violence (in English) Nancy Ross, Dalhousie University
33	Group-Based Management of Psychosis in Addiction Treatment Settings (in English) Heather Baitz, Burnaby Centre for Mental Health and Addiction Christian Schütz, Burnaby Centre for Mental Health and Addiction
34	Integrated Correctional Program Model (in English) Stephanie Hamell, Correctional Services of Canada Mark Christie, Correctional Services of Canada
35	Perceived Stigma Among Approved Medical Cannabis Users in Canada (in English) Cesar Leos-Toro, University of Waterloo Samantha Shiplo, University of Waterloo David Hammond, University of Waterloo
36	Practice Based Experience of Integrating Adverse Childhood Experiences into Youth Addictions Programming (in English) Adrienne Hotz-Oman, Alberta Health Services
37	Self-Reported Chronic Pain as a Predictor of Relapse Post Residential Treatment, a Six-Month Follow-Up Study (in English) Carson McPherson, Cedars at Cobble Hill Holly Boyne, University of Guelph— Humber Eric Collins, University of Western Ontario
38	The Addiction and Mental Health Suicide Prevention, Risk Assessment and Management Training Initiative (in English) Tuxephoni Winsor, Alberta Health Services Laura Calhoun, Alberta Health Services Keith Courtney, Alberta Health Services Ron Lim, Alberta Health Services Kendra Barrick, University of Calgary Daniel Scott, Alberta Health Services Jennifer Bishop, Alberta Health Services Robert Johnston, Alberta Health Services Celeste Williams, Alberta Health Services
39	The Evolution of Post-Traumatic Stress Symptoms and Coping Strategies Among Participants Engaged in the Program “Maitre de sa vie” (in English) Myriam Laventure, University of Sherbrooke Geneviève Paquette, University of Sherbrooke

40 **To Equip Families of People With Concurrent Psychotic and Substance Use Disorders: What Does the Research Tell Us? (in English)**

Karine Gaudreault, University of Sherbrooke

Karine Bertrand, University of Sherbrooke

Joël Tremblay, University of Quebec à Trois-rivières

INNOVATIVE AND NOVEL APPROACHES TO SERVICE DELIVERY	
41	Filling the Gaps of Care on Evenings and Weekends: An Innovative, ACT-Inspired Model for Community Treatment for Emerging Adults (in English) Julia Vanderheul, LOFT Community Services
42	Funding Substance Use Prevention Initiatives – How Far is Your Buck Getting You? (in English) Zachary Patterson, Canadian Centre on Substance Use and Addiction
44	Innovative Program for People with a Psychotic Disorder and an Addiction Issue: Description and Impact (in French) Nadine Blanchette-Martin, Research Service CIUSSS-CN/CISS-CA Francine Ferland, Research Service CIUSSS-CN/CISS-CA Rosalie Genois, Research Service CIUSSS-CN/CISS-CA Chantal Plourde, University of Quebec at Trois-Rivières François Dallaire, Research Service CIUSSS-CN/CISS-CA
45	Integrating the Social Determinants of Health Indicators in the Accreditation Programs for Treatment Centres in Order to Improve the Health Outcomes of the Less Advantaged Communities in Canada. (in English) Calvin Wood, Canadian Accreditation Council Sana Naffa, Canadian Accreditation Council

51	Decriminalization: A Missed Opportunity in Cannabis Law Reform? (in English) Mike DeVillaer , McMaster University
52	Regulation of the Cannabis Industry: Cause for Concern (in English) Mike DeVillaer , McMaster University
53	Exploring the Role of Cannabis Use Expectancies in Optimizing Health Promotion Programming to Prevent or Delay the Initiation of Cannabis Use Among Canadian Adolescents (in English) Ayu Pinky Hapsari, University of British Columbia Daniel Werb, University of California, San Diego Eugenia Oviedo-Joekes, University of British Columbia Chris Richardson , University of British Columbia
54	Implicit Cannabis Cognitions and Early Use Among Canadian Adolescents (in English) Jill Robinson , University of British Columbia Marvin Krank, University of British Columbia
55	Pharmacokinetics and Challenges of Roadside THC Detection (in English) Abe Verghis , Alcohol Countermeasure Systems Corp. Matt Golednowski, Alcohol Countermeasure Systems Corp.
56	Public Health Perspectives on Cannabis Policy and Regulation (in English) Chief Medical Officers of Health of Canada and Urban Public Health Network Brian Emerson , British Columbia Ministry of Health

RESPONSIBLE AND PROBLEM GAMBLING

57 A Longitudinal, Qualitative Examination of Factors Underlying Transitions in Problem Gambling Severity: Findings from The Leisure, Lifestyle and Lifecycle Project (in English)

Seema Mutti-Packer, University of Calgary
Kristy Kowatch, University of Calgary
Rodney Steadman, University of Calgary
David Hodgins, University of Calgary
Nady el-Guebaly, University of Calgary
David Casey, University of Calgary
Shawn Currie, University of Calgary
Robert Williams, University of Lethbridge
Garry Smith, University of Alberta

58 Proactive and Reactive Mechanisms of Response Inhibition in Gambling Disorder (in English)

Maryam Sharif-Razi, University of Calgary
David Hodgins, University of Calgary
Vina Goghari, University of Toronto
Daniel McGrath, University of Calgary

ALCOHOL	
59	<p>Alberta Municipal Alcohol Policy Project (in English)</p> <p>Leslie Munson, Alberta Health Services Lauren Stahl, Alberta Health Services</p>
60	<p>Alcohol on Campus: The Canadian Post-Secondary Education Alcohol and Drug Use Survey (in English)</p> <p>Marie-Claire Flores-Pajot, Canadian Centre on Substance Use and Addiction Catherine Paradis, Canadian Centre on Substance Use and Addiction</p>
61	<p>Atlantic Canadian High School Students and Alcohol-Related Harms: Are There Differences Across Sex, Sexual Orientation and Psychosocial Indicators (in English)</p> <p>Maria Wilson, Dalhousie University Donald Langille, Dalhousie University Mark Asbridge, Dalhousie University Christy Woolcott, Dalhousie University</p>
62	<p>Caring for Patients with Severe Alcohol Use Disorders in the Acute Care Setting: A Managed Alcohol Approach (in English)</p> <p>Jessica Muller, Royal Alexandra Hospital Ginetta Salvalaggio, University of Alberta Kathryn Dong, Royal Alexandra Hospital Hannah Brooks, University of Alberta Jennifer Brouwer, Royal Alexandra Hospital</p>
63	<p>Gender-Based Analysis of Drinking Behaviours Among University Students (in English)</p> <p>Shu-Ping Chen, University of Alberta Heather Stuart, Queen's University</p>
64	<p>Prethink Your Drink: Reducing High-Risk Drinking on Campus (in English)</p> <p>Ivy Parsons, Alberta Health Services Leah Tenove, Alberta Health Services Leslie Munson, Alberta Health Services</p>
65	<p>Rethink Your Drinking: The Evolution of a Province-Wide Public Health Collaboration to Promote Low Risk Alcohol Consumption (in English)</p> <p>Annette Hoyles, Perth District Health Unit Jason LeMar, Public Health Ontario Tamar Meyer, Centre for Addiction and Mental Health Allison Meserve, Public Health Ontario Melissa Knowler, Middlesex-London Health Unit</p>
66	<p>The Geographic Information System of the Municipal Alcohol Policies Project (in English)</p> <p>Jason LeMar, Public Health Ontario</p>

67	<p>Study of Social Representations of Alcohol among Soldiers of the Navy: Reflections for Optimal Prevention (in French)</p> <p>Clémence Casanova, Aix-Marseille University Michel Rémy, Aix-Marseille University Franck Berger, Center for Epidemiology and Public Health of the Armed Forces Thémistoklis Apostolidis, Aix-Marseille University</p>
68	<p>Warning Signs: A Lay Epidemiology Study of the Earliest and Most Important Indicators of Problematic Drinking (in English)</p> <p>Hyouon Kim, University of Calgary Benjamin Kim, University of Calgary David Hodgins, University of Calgary Cameron Wild, University of Alberta</p>

PRESCRIPTION DRUGS, INCLUDING OPIOIDS	
69	Five Program System for Post-Marketing Surveillance of Prescription Drug Misuse (in English) Janetta Iwanicki , Rocky Mountain Poison and Drug Center Colleen Haynes, Rocky Mountain Poison and Drug Center Beth Sproule, Centre for Addiction and Mental Health Steve Kurtz, Nova Southeastern University Ted Cicero, Washington University in St. Louis Nabarun Dasgupta, Rocky Mountain Poison and Drug Center Richard Dart, Canadian Consumer Product and Pharmaceutical Safety Inc.
