Marie-Josée Fleury, Institut universitaire sur les dépendances

RESPONSIBLE AND PROBLEM GAMBLING

A Longitudinal, Qualitative Examination of Factors Underlying Transitions in Problem Gambling Severity: Findings from The Leisure, Lifestyle and Lifecycle Project (in English)

Seema Mutti-Packer, University of Calgary
Kristy Kowatch, University of Calgary
Rodney Steadman, University of Calgary
David Hodgins, University of Calgary
Nady el-Guebaly, University of Calgary
David Casey, University of Calgary
Shawn Currie, University of Calgary
Robert Williams, University of Lethbridge
Garry Smith, University of Alberta

Proactive and Reactive Mechanisms of Response Inhibition in Gambling Disorder (in English)

Maryam Sharif-Razi, University of Calgary
David Hodgins, University of Calgary
Vina Goghari, University of Toronto
Daniel McGrath, University of Calgary

INNOVATIVE AND NOVEL APPROACHES TO SERVICE DELIVERY

The Addiction Recovery and Community Health Team: Patient Perspectives (in English)

Heather Morris, University of Alberta
Ginetta Salvalaggio, University of Alberta
Stacy Lee Lockerbie, University of Calgary
Lara Nixon, University of Calgary
Kathryn Dong, University of Alberta
Elaine Hyshka, University of Alberta

Innovative Program for People with a Psychotic Disorder and an Addiction Issue: Description and Impact (in French)

Nadine Blanchette-Martin, Research Service CIUSSS-CN/CISS-CA
Francine Ferland, Research Service CIUSSS-CN/CISS-CA
Rosalie Genois, Research Service CIUSSS-CN/CISS-CA
Chantal Plourde, University of Quebec at Trois-Rivières
François Dallaire, Research Service CIUSSS-CN/CISS-CA
Claude Bacque-Dion, Research Service CIUSSS-CN/CISS-CA
Catherine Côté, Research Service CIUSSS-CN/CISS-CA

Measuring Concurrent Capability Through Program Reviews (in English)

Jackie Clark, Alberta Health Services
Tracey Labbie, Alberta Health Services

Funding Substance Use Prevention Initiatives – How Far is Your Buck Getting You? (in English)

Zachary Patterson, Canadian Centre on Substance Use and Addiction

Infusing Harm Reduction into Campus Culture: The Algonquin College Umbrella Project (in English)

Ben Bridgstock, Algonquin College
Amanda Neilson, Rideauwood Addiction and Family Services

Filling the Gaps of Care of Evenings and Weekends: An Innovative, ACT-Inspired Model for Community Treatment for Emerging Adults. (in English)

Integrating the Social Determinants of Health Indicators in the Accreditation Programs for Treatment Centres in Order to Improve the Health Outcomes of the Less Advantaged Communities in Canada. (in English)

Calvin Wood, Canadian Accreditation Council
Sana Naffa, Canadian Accreditation Council

Stuck in the Middle with You: Nurse Practitioner Roles in Addiction and Mental Health (in English)

Amy Woroniuk, Alberta Health Services
Cristina Zaganelli, Alberta Health Services

INDIGENOUS APPROACHES TO ADDRESSING SUBSTANCE USE AND HEALING

First Nation Community Crisis Planning, Prevention, and Response Service Delivery Models (in English)

Carol Hopkins, Thunderbird Partnership Foundation

Jasmine Fournier, Thunderbird Partnership Foundation

Expanding Aboriginal Cultural Competency for Addiction Service Delivery in Canada (in English)

Holly Boyne, University of Guelph - Humber

Carson McPherson, Cedars at Cobble Hill

Eric Collins, University of Western Ontario

Land-Based Service Delivery Models (in English)

Carol Hopkins, Thunderbird Partnership Foundation

Jasmine Fournier, Thunderbird Partnership Foundation

Ioana Radu, Thunderbird Partnership Foundation

SPECIFIC POPULATIONS

Traumatic Brain Injury and Substance Abuse in a High-Security Offender Population (in English)

Devon Madill, Carleton University
John Weekes, Carleton University
Leslie Anne Keown, Carleton University
Michael Wheatley, National Offender Management Service

Translation and Implementation of a Validated Client Satisfaction Tool for Ethno-Specific Populations (in English)

Chantal Fougere, Centre for Addiction and Mental Health

Clinical Characteristics of Clients Presenting to a Concurrent Disorders Service for Transitional Aged Youth (in English)

Nick Schubert, Royal Ottawa Mental Health Centre
Gretchen Conrad, Royal Ottawa Mental Health Centre
Kimberly Corace, Royal Ottawa Mental Health Centre
Timothy Moran, Royal Ottawa Mental Health Centre

Parenting and Addiction: Characteristics of Families Involved in a Parent Management Training Program (in English)

Francine Ferland, Research Service CIUSSS-CN/CISS-CA
Nadine Blanchette-Martin, Research Service CIUSSS-CN/CISS-CA
Myriam Laventure, University of Sherbrooke
Pascal Garceau, Research Service CIUSSS-CN/CISS-CA

Two Years Later: What Do They Remember? Perceptions of Men Involved with the Justice System Who Engaged in a Intervention for their Addiction while Incarcerated (in French)

Chantal Plourde, University of Quebec at Trois-Rivières
Catherine Arseneault, University of Laval
Nadine Blanchette-Martin, CIUSSS de la Capitale-Nationale
Francine Ferland, CIUSSS de la Capitale-Nationale
Marie-Ève Bédard-Nadeau, University of Quebec at Trois-Rivières

Treatment for Youth Experiencing Harms from Substance Use Across the Continuum of Care: A Care Pathway Approach (in English)

Jill Fairbank, Canadian Centre on Substance Use and Addiction
Sarah Wallingford, Canadian Centre on Substance Use and Addiction
Sheena Gereghy, Canadian Centre on Substance Use and Addiction

Disrupting Standard Mode: Family Inclusion in Substance Use Services (in English)

Stephanie McCune, Vancouver Island University

Being APT with Teenagers: Finally a Prevention Addiction Strategy Designed for Parents and Teachers! (in English)

Anne Elizabeth Lapointe, Centre québécois de lutte aux dépendances

SUBSTANCE USE AND CO-OCCURRING ISSUES/DISORDERS

The Addiction and Mental Health Suicide Prevention, Risk Assessment and Management Training Initiative (in English)

Tuxephoni Winsor, Alberta Health Services

Self-Reported Chronic Pain as a Predictor of Relapse Post Residential Treatment, a 6 Month Follow-Up Study (in English)

Carson McPherson, Cedars at Cobble Hill
Holly Boyne, University of Guelph— Humber
Eric Collins, University of Western Ontario

“Alcohol Sets a Match to Violence”: Community Responses to Interpersonal Violence (in English)

Nancy Ross, Dalhousie University

The Evolution of Post-Traumatic Stress Symptoms and Coping Strategies Among Participants Engaged in the Program “Maitre de sa vie” (in English)

Myriam Laventure, Université de Sherbrooke
Geneviève Paquette, Université de Sherbrooke

Practice Based Experience of Integrating Adverse Childhood Experiences into Youth Addictions Programming (in English)

Adrienne Hotz-Oman, Alberta Health Services

Integrated Correctional Program Model (in English)

Stephanie Hamell, Correctional Services of Canada

Perceived Stigma Among Approved Medical Cannabis Users in Canada (in English)

Cesar Leos-Toro, University of Waterloo
Samantha Shiplo, University of Waterloo
David Hammond, University of Waterloo

Group-Based Management of Psychosis in Addiction Treatment Settings (in English)

Heather Baitz, Burnaby Centre for Mental Health and Addiction
Christian Schütz, Burnaby Centre for Mental Health and Addiction

INNOVATIVE METHODS TO BRINGING RESEARCH TO PRACTICE

Supporting Quality Improvement and System Planning by Enhancing the Data Quality Culture in Addictions Programs: A Closer Look at the Costing Training Initiative (in English)

Priya Kumar, Centre for Addiction and Mental Health
Garth Martin, Addiction Consulting Services
Felicia Tan, Centre for Addiction and Mental Health
Kim Baker, Centre for Addiction and Mental Health

Estimating the Harms and the Economic Burden of Alcohol and Other Drug Use in Canada: An Update of the 2006 Costs of Substance Abuse in Canada (in English)

Matthew Young, Canadian Centre on Substance Use and Addiction
Tim Stockwell, Centre for Addiction Research British Columbia
Scott Macdonald, Centre for Addiction Research British Columbia

Motivating Addiction Treatment Programs to Adopt Contingency Management (in English)

David Hodgins, University of Calgary
Angela Wallace, University of Calgary
Darren Christensen, University of Lethbridge
Barb Fornssler, University of Saskatchewan
Igor Yakovenko, University of Alberta

Needs Based Planning for Substance Use and Mental Health Treatment System (in English)

Brian Rush, Centre for Addiction and Mental Health
Joël Tremblay, Université du Québec à Trois-Rivières
Sherry Mumford, Fraser Health Authority, Mental Health and Substance Use Services
Annie Pellerin, Department of Health, New Brunswick
Birpreet Saini, Centre for Addiction and Mental Health

Experiences in Harm Reduction Services: The Impact of Provider's Attitudes and Stigma (in English)

Alissa Greer, British Columbia Centre for Disease Control
Heather Burgess, British Columbia Centre for Disease Control
Jane Buxton, British Columbia Centre for Disease Control

Increasing Program Effectiveness Through Progress and Outcomes Monitoring: Perspectives from the Front Line (in English)

Matthew Hayes, Enviro
Jeff Wilson, Enviro
Ryan Strohmaier, Enviro
Nathan Weisse, Enviro
Rob Longe, Enviro

Cultural Humility vs. Systemic Discrimination: A Secular View to 12-Step Facilitation (in English)

Dianne Piaskoski, Bellwood Health Services Inc.
Joe Chisholm, NAADAC, the Association for Addiction Professionals
