Adlaf, E. (1995). *Canadian Community Epidemiology Network on Drug Use: A feasibility report*. Ottawa, ON: Canadian Centre on Substance Abuse.

Prepared by the Canadian Centre on Substance Abuse in partnership with the  
Canadian Community Epidemiology Network on Drug Use (CCENDU)

Canadian Centre  
on Substance Abuse  
Centre canadien de lutte  
contre les toxicomanies

The Canadian Centre on Substance Abuse changes lives by bringing people and knowledge together to reduce the harm of alcohol and other drugs on society. We partner with public, private and non-governmental organizations to improve the health and safety of Canadians.

CCSA activities and products are made possible through a financial contribution from Health Canada. The views of CCSA do not necessarily represent the views of the Government of Canada.
